

How it Works

Transforming B2B solution finding,
one curated meeting at a time.

Meet the right rep, with the right product, at the right time for your needs.

Save bandwidth, energy, and time with pre-scheduled, curated meetings.

Streamline your experience and skip contact forms, email chains & discovery calls.

Traditional B2B buying takes months. We cut it down to 30 minutes.

1

Detail your current challenges & solution needs in your event registration.

2

We've already pre-vetted the best solutions on the market today.

3

You get matched with best-fit providers for your specific needs.

4

You receive a custom schedule of 1-on-1 meetings with high level sales reps.

5

Solution providers receive your project info, so you can talk specifics.

6

Take your meetings (with no obligations!) and find solutions (with no headaches!).
